

# MID STATES AG AVIATION CONFERENCE

## WOMEN'S PROGRAM 2019 | DECEMBER 4

*Sponsored by Nutrien Ag Solutions (Steve Cortum)*

### Wednesday Program

8:30 - 10:00 AM | ATHENA program

Under the Umbrella – Presented by Jane Pitlick

Please plan to join us for this program before the Women's Event begins. It is informative and helpful for everyone involved in a business, not just family or employees.

10:30 - 2:30 PM | 2019 Women's Event

We are working on another fun event for everyone! The business we are talking to has recently moved, so they are not sure they will be ready for us by December. We have a backup plan and should know for sure by the middle of November. Please make sure to send me a friend request so I can add you to the Mid States Women's Facebook group.

**As in the past, our fun will include lunch! Please join us for any or all programs.**

### Program Information:

IAAA would like as many RSVPs as possible and indicate if you think you will bring kids. We want to make sure everyone can be included.

IAAA created a private Facebook group and many of you are already members from last year. Please feel free to send me a friend request and direct message me that you would like to be in the group.

If you are not on Facebook, please email Betsy Sharp at [betsy@agritechaviation.com](mailto:betsy@agritechaviation.com).
